Employment Searching: If you already have a *Navigator* account, you will *continue* to have access for six months after graduation. Additionally, alumni now have unlimited free access to *Alumni Navigator*. Similar to *Navigator* but geared to alumni, this brand new web-based career search tool has thousands of opportunities nationwide for new grads, including some posted by fellow SHU alumni! This is a tool you can use throughout your career, free of charge. Remember: if your organization is seeking interns or new hires, don't forget to post these opportunities with us to share with SHU students and fellow alumni!

Seton Hall Alumni Mentors: Check out our online alumni mentoring program, *Pirate Mentoring*. Network with and obtain career advice from hundreds of SHU alumni!

Resume Building: Use *OptimalResume*, a powerful online resume-building tool to help you create your resume.

Resume Critiquing: Obtain professional help updating and targeting your resume to the position you're seeking.

Mock Interviewing: Practice your skills with our new innovative software, *Perfect Interview*, which puts you in a realistic simulated interview session using your own computer!

Career Coaching: Get career planning and search guidance from professionals who will help you figure out where you're going and how you're getting there.

VAULT: Bolster your career search efforts using this online career research tool that provides career and interview guides, company profiles and message boards, and industry-specific information. Visit "Alumni Career Seekers Services" on our Web site and enjoy free unlimited access.

Career Events: Participate in upcoming career programs including on campus recruiting (for up to one year after graduation) and career fairs, including the annual Big East Fairs and our on-campus fairs. Visit our Web site for more information.

Career Assessments: Take one of our online career assessments from your own computer and meet with a career professional to discuss your results and next steps.
