

In order to promote the provision of safe medical practice Seton Hall University Health Services staff shall be in compliance with applicable state and federal laws and regulations which may include:

1. Centers for Disease Control (CDC)
2. New Jersey Department of Health and Senior Services
3. New Jersey Higher Education Immunization Practices
4. Advisory Committee on Immunization Practices (CDC)
5. American College Health Association
6. American Medical Association
7. New Jersey Division of Consumer Affairs
8. New Jersey Board of Nursing
9. New Jersey Clinical Laboratory Improvement Services
10. New Jersey Disease and Injury Reporting Requirements
11. New Jersey State Board of Medical Examiners
12. World Health Organization

In addition, institutions of higher education are required to comply with a complex variety of federal, state and local laws, regulations and court rulings, on a wide array of issues as noted in the [University Compliance Program](#).
